**SUBJECT:** SAE & NMDP, Registry Info Sessions & Experience 2023-24 Chapter Competition

The chapter that earns the most points between Sept 1, 2023 – May 1, 2024 wins!

### 3 Ways to Earn Points!

1. Plan and execute a 30 min educational session for your chapter members and campus peers to learn about NMDP. **\*Attendance must be taken by using this [form, https://forms.office.com/r/0wdXetkhwA](https://forms.office.com/r/0wdXetkhwA)\***
  - Sessions must be facilitated by a NMDP staff member or trained NMDP campus member. SAE members can also become trained volunteers—ask your rep how!
  - Save 5–10 minutes at the end of each session for attendees to swab and join the registry.
  - If you have a NMDP campus group, notify them of your event so they can help spread the word!
    - 1 point for SAE members (SAE members can attend once for credit).
    - 2 points for non-SAE students.
    - 1 point for each new individual who joins the registry.
2. Host or join a NMDP Registry drive in your community, on campus or online.
  - Your NMDP representative will train your members and send you all the supplies and swag you need!
  - If you have a NMDP Chapter on your campus, you can team up with them to host an event or volunteer at a pre-existing drive.
    - 1 point for each new individual who joins the registry.
3. Set up your chapter's team in the NMDP volunteer portal in just 5 minutes. This is needed to complete the NMDP volunteer waiver and log total volunteer hours.
  - Watch this [simple video](https://www.youtube.com/watch?v=tcLyYKtLMRQ) for instructions, <https://www.youtube.com/watch?v=tcLyYKtLMRQ>
    - 50 points upon creation of team account and adding chapter members.
